## Decision COP5/9, Sustainable transport & infrastructure, industry & energy

2. Recommends the Working Group on Sustainable Transport, Infrastructure, Industry and Energy (hereinafter WG Transport ) with support of the TRANSGREEN project, **to develop a Strategic Action Plan for fostering the implementation of the Transport Protocol**, invites other Working Groups and relevant stakeholders to support the process;
3. Recalling paragraphs 4 and 8 of decision COP4/5, **welcomes approval of the TRANSGREEN project** – Integrated Transport and Green Infrastructure Planning in the Danube-Carpathian Region for the Benefit of People and Nature funded by the INTERREG Danube Transnational Programme, and **appreciates the support given to the activities by the WG Transport, as well as the WG Biodiversity and the WG Spatial Development, welcomes the cooperation with WWF as the Lead Partner**, and requests the Secretariat to participate in the project by providing expertise through an agreement with the Lead Partner;
